

## David W. Ramey, DVM

### Summary of Qualifications

---

**Ramey Equine, Private Practice:** Practice includes all aspects of equine health care including surgery, medicine, lameness, anesthesia and preventative medicine. The practice is approximately 60% show and performance horses, with the remainder being various other breeds and individual pleasure horses.

**Special Equipment Training:** Trained in use and application of flexible fiberoptic endoscope, arthroscope, gastrointestinal stapling equipment, ASIF equipment for internal fixation of fractures and non-unions, dermatome, radiofrequency hyperthermia unit, diagnostic ultrasound, and cryosurgery

**Surgical Training:** Trained in various surgical procedures including abdominal exploration, intestinal resection and anastomosis, diagnostic and surgical arthroscopy, fracture fixation, laryngoplasty, umbilical herniorrhaphy, periosteal transection, cryptorchidectomy, and arthrotomy

**Special Diagnostic Techniques Training:** Trained in various special diagnostic techniques including liver biopsy, transtracheal aspiration biopsy, abdomiocentesis, thoracocentesis, arthrocentesis, uterine culture and biopsy, and guttural pouch catheterization

### Education

---

Iowa State University, Ames, IA  
1983 - 1984

Intern, Equine Medicine and Surgery - Teaching and clinical case management of equine medicine and surgery cases, primarily private practitioner referrals from a five state area

Colorado State University, Fort Collins, CO  
1983

Doctor of Veterinary Medicine

Colorado State University, Fort Collins, CO  
1979

Honors B.S. Animal Science  
Honor Societies: Phi Beta Kappa (1979), Phi Kappa Phi (1979)

### Specialty Training

---

Short Course on the Stifle and Hip, International Society of Equine Locomotor Pathology, Chino Valley Equine Hospital, Chino, CA, Apr 2017.

Short Course on the Carpus and Metacarpus, International Society of Equine Locomotor Pathology, Chino Valley Equine Hospital, Chino, CA, Apr 2016.

Veterinarian Integration into Multi-Agency Emergency Equine Rescue and Disaster Response Course, International Animal Welfare Training Institute, Petaluma, CA, Mar 2016.

Short Course on the Foot and Pastern, International Society of Equine Locomotor Pathology, Chino Valley Equine Hospital, Chino, CA, Apr 2015.

Santa Anita Equine Ultrasound Course, Arcadia, CA, May, 2005.

Equine Dentistry Wet lab, AAEP Convention, Phoenix, AZ, 1997.

Symposium and Wet Lab on the Equine Acute Abdomen, Colorado State University, Fort Collins, CO, 1986.

ASIF Basic Conference on Internal Fixation of Fractures and Non-Unions in the Horse, The Ohio State University, Columbus, OH, 1984.

Symposium and Wet Lab on Arthroscopic Surgery in the Horse, Colorado State University, Fort Collins, CO, 1984.

### Professional Activities

---

Ramey Equine, Encino, CA  
1987-present

Ambulatory clinical practitioner; FEI Treating Veterinarian (ID #10089855)

Los Angeles Equine, Sun Valley, CA  
1984-1987

Clinical practitioner

### Additional Professional Activities

---

Member, Los Angeles Equine Advisory Committee (LAEAC), City of Los Angeles, Nov 2018–Present

Consultant, Santa Monica Animal Shelter, Jun 2016–Present

Member, Equine Abuse and Neglect Subcommittee of the Welfare and Public Policy Advisory Committee, American Association of Equine Practitioners (AAEP), Mar 2018-Present

Affiliate, International Animal Welfare Training Institute (IAWTI), Dec 2015–Present

Member, Medical Advisory Board, United Health Products, Inc. (UEEC), Jun 2014–Present

Vice-Chairman, Leadership Development Committee, American Association of Equine Practitioners (AAEP), Dec 2014–2017. Member Nov 2011-20017.

### Memberships

---

American Association of Equine Practitioners  
American Council on Science and Health  
American Veterinary Medical Association  
European Society of Veterinary Dermatology  
Veterinary Emergency and Critical Care Society

### Languages

---

**English:** Native proficiency

**French:** Professional working proficiency

**Spanish:** Professional working proficiency

**Japanese:** Elementary Proficiency (JLPT N5 Certified)

Reviewer, *Journal of Equine Veterinary Science*, 2008–Present

Reviewer, *Australian Veterinary Journal*, Sydney, Australia, 2008–Present

Member, Board of Advisors, American Council on Science and Health, 2002–Present

Member, Affiliate Faculty, Colorado State University, Department of Philosophy, Jul 2001–Present

Instructor, course on Equine Welfare, Los Angeles County Department of Animal Care and Control, Jul 2016 and Sep/Oct 2015

Instructor, Care of the Shelter Horse (CE course for shelter veterinarians and veterinary technicians), Los Angeles County Department of Animal Care and Control, Jan/Feb 2016

Reviewer, *American Journal of Veterinary Research*, 2015

Member, Educational Program Committee, American Association of Equine Practitioners (AAEP), Dec 2013–Dec 2015

Featured Veterinarian, Ask The Vet, American Association of Equine Practitioners (AAEP), "External and Internal Parasites", Aug 2014

Instructor, course on Equine Welfare, Riverside County Department of Animal Services, Mar 2014

Member, Equine Welfare Committee, American Association of Equine Practitioners (AAEP), Dec 2010–Dec 2012

Assistant Editor, *Equine Veterinary Education*, London, England, 2008–2010

Moderator, Equine Discussion Group, American Veterinary Medical Association's Network of Animal Health (NOAH), 1998–2010

Member, Web Editorial Group of the VetMedInfo Project to Improve library Services for Practicing Veterinarians, National Library of Medicine (NLM), 2008

Featured veterinarian, MyHorseMatters.com, American Association of Equine Practitioners (AAEP), "Nutritional Supplements", Jan 2006

Featured veterinarian, MyHorseMatters.com, American Association of Equine Practitioners (AAEP), "Navicular Syndrome", Aug 2003

Member, Committee to Rewrite Guidelines on Alternative and Complementary Veterinary Medicine, American Veterinary Medical Association (AVMA), 1999–2001

Contributing Editor, *The Scientific Review of Alternative Medicine*, 1998–2001

Member, Consultant Board, *World Equine Veterinary Review*, 1998–2001

Member, Abstract Review Committee, American Association of Equine Practitioners (AAEP), Dec 1999–Dec 2000

Member, First Committee on Therapeutic Options, American Association of Equine Practitioners (AAEP), Dec 1998–Dec 2000

Scientific Advisor, National Geographic, "The Noble Horse" film, 1999

Member, Committee on Prepurchase Examinations, American Association of Equine Practitioners (AAEP), Dec 1998– Dec 1999

Member, International Committee, American Association of Equine Practitioners (AAEP), Dec 1993–Dec 1996
